Dear Applicant,

Thank you for inquiring about a position with Camp Wildbrook. The 2026 season will be Wildbrook's 74th season and we hope that you will be a part of this camping tradition. The season will start June 22nd and end July 31st with required camp training on weekends in late May and pre-camp work available for those interested starting in early May. We have included a brief description of the camp below. Please complete the application and interest survey enclosed and return to Camp Wildbrook in order to be considered for employment for the upcoming camp season. Because of the short duration of the season, you must be available for the entire 6 week season and other mandatory dates to be considered for employment.

Camp Wildbrook has been a day camp for over 70 years and is accredited by the American Camping Association. It consists of a staff of approximately 50 and 264 campers. The campers receive swimming instruction daily along with a structured well-rounded program of activities offered twice a week to learn basic skills. Camp Wildbrook is situated on 16 acres south of Winton Woods.

Parents entrust us with their most valuable possession, their children. Our philosophy is to see young people have fun gaining physical and life skills and self-confidence through a positive outdoor program. This would not be possible without caring and responsible counselors.

We welcome your enthusiasm, talents, leadership and interest in Camp Wildbrook. We will contact you following receipt of your application. Please call the camp office at 513-931-2196, or email: Campwildbrook@cinci.rr.com for any questions you may have.

Yours in Camping,

Marc McEwan
Director
